**DISCLAIMER TO OBVIATE A PROVISIONAL DOUBLE PATENTING REJECTION
OVER A PENDING "REFERENCE" APPLICATION**

Commissioner:

Global Network Security, Inc., applicant and owner of the entire right, title, and interest in the instant application by an assignment recorded on October 5, 2005 at reel 016852 frame 0628, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on pending reference Application No. 10/651,846 filed on August 29, 2003, as such term is defined in 35 U.S.C. 154 and 173 and as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the reference application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on said reference application "as the term of any patent granted on said reference application may be

Appl. No. 10/651,841

shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application," in the event that: any such patent granted on the pending reference application expired for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its fully statutory term as shortened by any terminal disclaimer filed prior to its grant.

The terminal disclaimer fee under 37 CFR 1.20(d) is authorized in the Amendment Cover Sheet accompanying this paper.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The undersigned is the attorney of record.
